Notes

College check = Lovett College p-card

Event Plan

Type Public

Event Plan

There will be a keg of beer behind the bar of Lyle's. We will be tapping the keg at 7:30. The server will be behind the bar, checking IDs and serving cups of beer. The bar is towards the back of the Lyle's and slightly inaccessible, so the alcohol is not in the middle of the party. The stage is toward the front. We will have students come up and perform on the stage, and other students will be sitting in chairs in the audience, surrounding the stage. We will also have food and non-alcoholic drinks, such as soda. In case of extra alcohol, we will give it to the former Chief Justice, Michael Evans, who is over 21.

Servers

Current Servers

Security

Security plan

There is one exit in Lyle's. We will keep attendance limited to those of Lovett College. In case of an emergency, all members of CC will be in attendance and available to help. We have wristbands and the server will be checking IDs to keep alcohol consumption limited to those 21 and over. The Chief Justice and the Lovett Culturals (Shirley Lee and Benjamin Basil), who organized the event, will be in attendance to help monitor security.
